

HOW TO UPLOAD DOCUMENTS

As a result of the continuing challenges experienced by many organisations as a result of the Covid 19 Pandemic, the Small Capital Grants Programme will be administered using on-line processes. These processes include:

- a. Making an Application
- b. Providing supporting documents
- c. Requesting Payment of grant aid

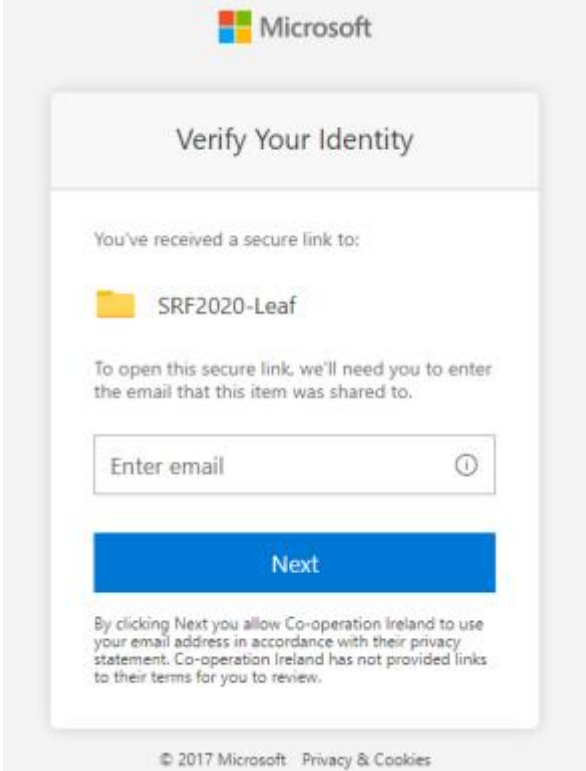

STEP 1 – accessing the folder

- i. After an application is submitted, an email will be issued to the contact person named on the application form.
- ii. This email will advise that a SharePoint folder has been shared with the contact person, inviting them to access a secure web-portal to which all the required supporting documents can be uploaded. This site will only be accessible to the person using the contact email address.
- iii. This email should be received within 10 minutes of the application being submitted. If the email does not appear, it is likely that it has been treated as a “spam” or “junk” email. These e-mail folders should be checked before contacting Co-operation Ireland.

STEP 2 – verifying your details

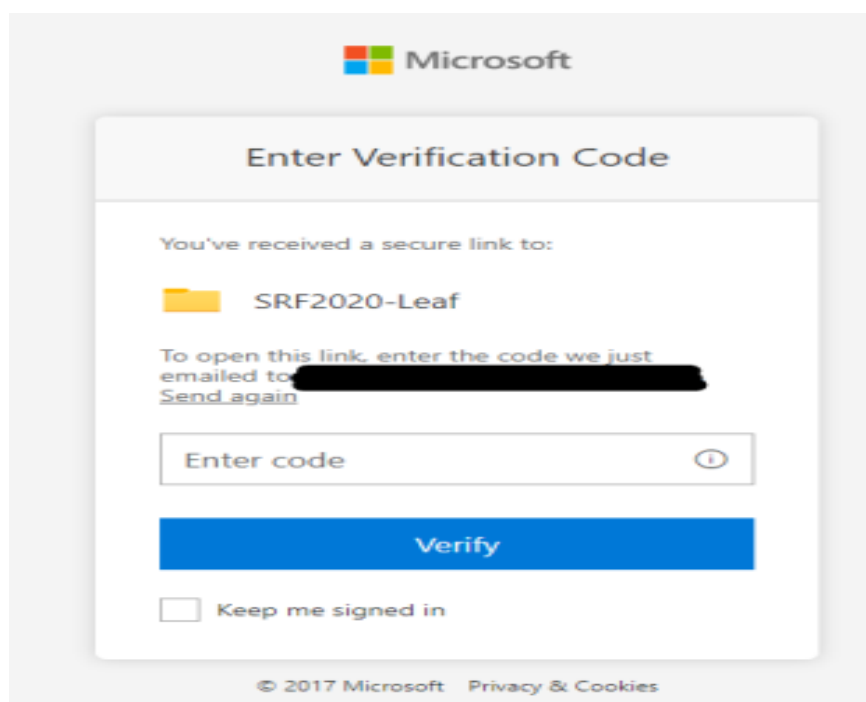

- i. After the email has been retrieved, the recipient should click the **“OPEN”** button.
- ii. This will open a new window on your web-browser
- iii. The recipient must then enter the email address to which the email was sent
- iv. Click **“Next”**.

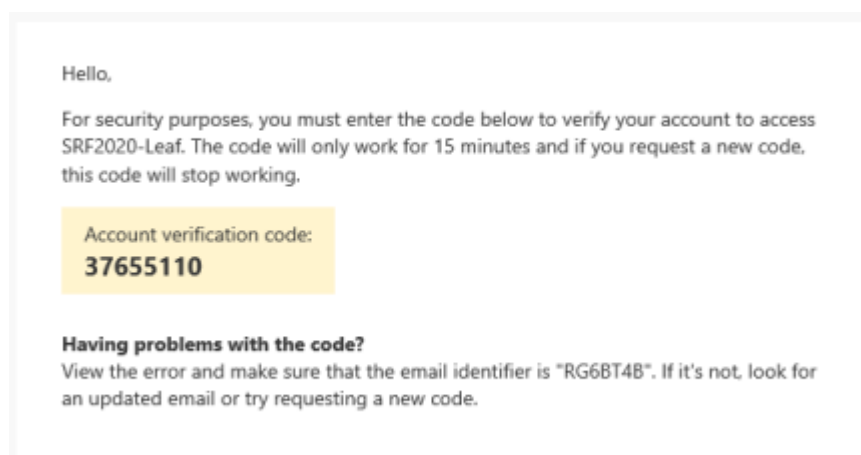

The image shows a Microsoft 'Verify Your Identity' screen. At the top is the Microsoft logo. The main heading is 'Verify Your Identity'. Below this, it says 'You've received a secure link to:' followed by a yellow folder icon and the text 'SRF2020-Leaf'. Below that, it says 'To open this secure link, we'll need you to enter the email that this item was shared to.' There is a text input field with the placeholder 'Enter email' and an information icon (i) on the right. Below the input field is a large blue button labeled 'Next'. At the bottom, there is a small disclaimer: 'By clicking Next you allow Co-operation Ireland to use your email address in accordance with their privacy statement. Co-operation Ireland has not provided links to their terms for you to review.' At the very bottom, it says '© 2017 Microsoft - Privacy & Cookies'.

STEP 3 – opening the folder

- i. After completion of Stage 2, a unique verification code will be sent to the contact e-mail address.
- ii. This code must be entered into the appropriate box.
- iii. The code will only work for 15 minutes and if not entered within this period, a new code must be requested.
- iv. Once the code is entered in the box, click VERIFY.
- v. Please make a note of the code, as it will be needed to upload further information when submitting claims for payment.
- vi. Again, if the email is not received, it is best to check if it has been moved to a “spam” or “junk” folder. It is suggested that these folders be checked before contacting Co-operation Ireland.

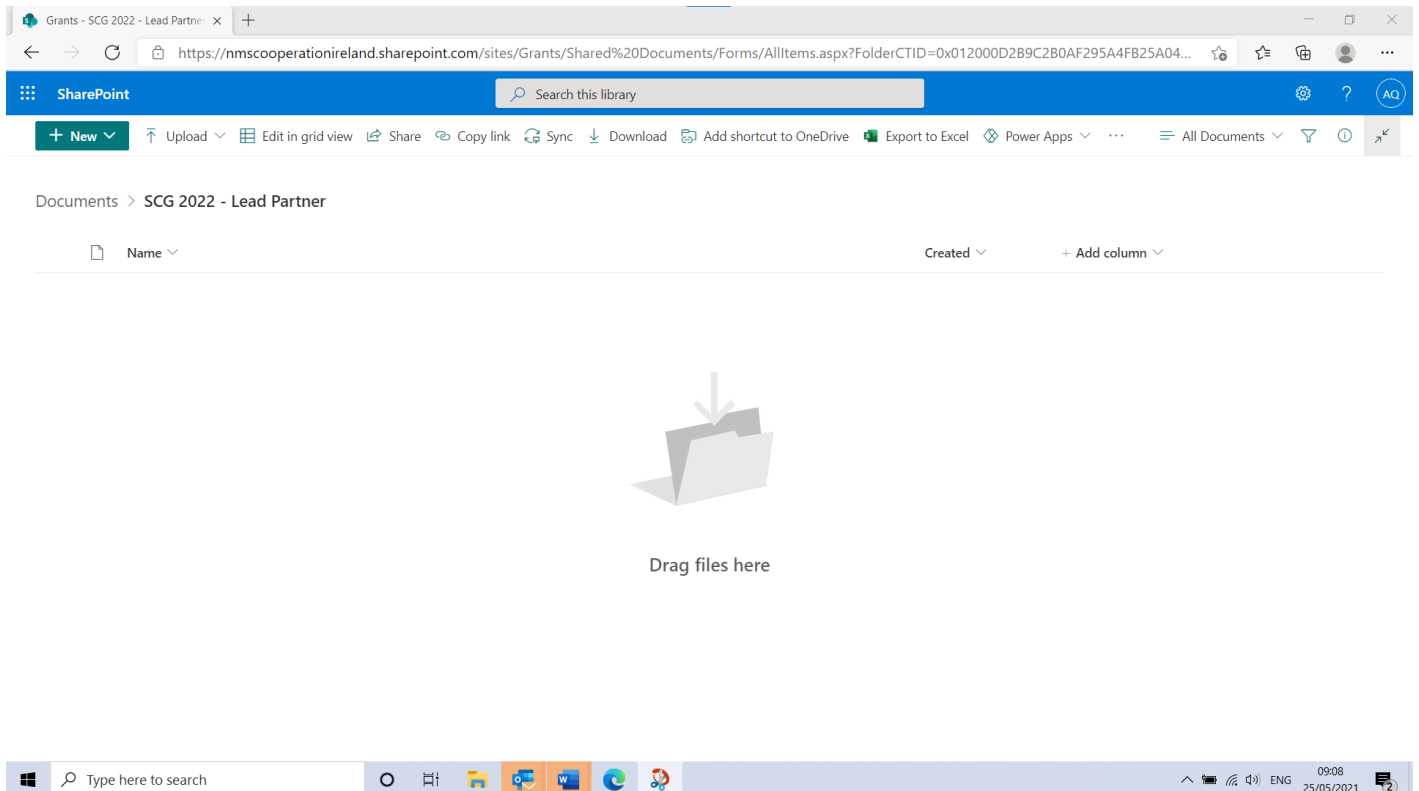

The screenshot shows a Microsoft verification page. At the top is the Microsoft logo. Below it is the heading "Enter Verification Code". The page content includes: "You've received a secure link to:" followed by a folder icon and the text "SRF2020-Leaf". There is an input field labeled "Enter code" with an information icon on the right. Below the input field is a blue "Verify" button. At the bottom, there is a checkbox labeled "Keep me signed in". The footer contains "© 2017 Microsoft Privacy & Cookies".

The screenshot shows an email verification message. It starts with "Hello,". The main text reads: "For security purposes, you must enter the code below to verify your account to access SRF2020-Leaf. Below this is a yellow box containing the text "Account verification code:" followed by the code "37655110". At the bottom, there is a section titled "Having problems with the code?" with the text: "View the error and make sure that the email identifier is 'RG6BT4B'. If it's not, look for an updated email or try requesting a new code."

The screenshot shows a web browser window displaying a SharePoint document library. The address bar shows the URL: <https://nmscooperationireland.sharepoint.com/sites/Grants/Shared%20Documents/Forms/AllItems.aspx?FolderCTID=0x012000D2B9C2B0AF295A4FB25A04...>. The SharePoint interface includes a search bar, a navigation menu with options like 'New', 'Upload', 'Share', 'Copy link', 'Sync', 'Download', 'Add shortcut to OneDrive', 'Export to Excel', and 'Power Apps', and a breadcrumb trail: 'Documents > SCG 2022 - Lead Partner'. Below the breadcrumb, there are columns for 'Name' and 'Created'. The main content area is empty and contains a large grey folder icon with a downward arrow and the text 'Drag files here'. The Windows taskbar at the bottom shows the search bar, task view, and several application icons, with the system tray displaying the date and time as 09:08 on 25/05/2021.

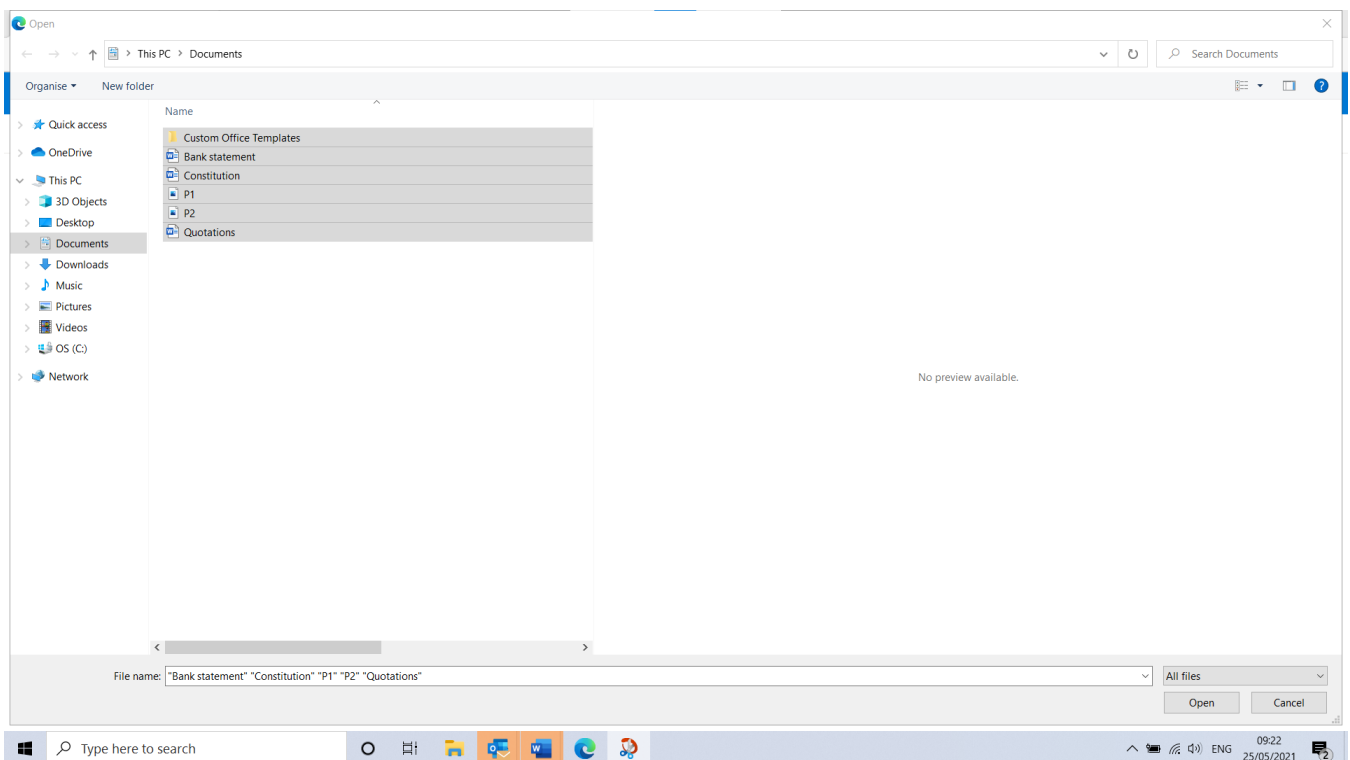

iii. From the Sharepoint folder, select “Upload” then either “Files” or “Folder” depending on how you have stored the documents.

Drag files here

- iv. Navigate to where the files are saved on your computer.
- v. Choose the files you want to upload, and then press “Enter” or “Open.”
- vi. Multiple files can be uploaded at the same time, but folders must be uploaded individually.

- vii. After a few seconds (depending on the number of files chosen), the files will be displayed in the Sharepoint folder.
- viii. Once you can see the files you want in the folder, there is no need for any other action such as press "Submit", "Complete" or Enter". Co-operation Irelands grant team will be able to access the files.
- ix. After files are uploaded, they are only accessible to someone who has permission to use the contact email address and access code.
- x. Please note that once files are uploaded to this site, they cannot be deleted and will be retained for future audit purposes.

STEP 5 – submitting claims for payment

The same webpage will also be used to submit claims for grant payment.

It can be accessed using the link provided in the email noted in **STEP 1** – alternatively it can be saved as a **“Favourite”** or **“frequently used”** web-page on your browser.

When submitting a claim for grant aid, the contact person can access the Sharepoint using the same email address as previously

The documents to be submitted when requesting payment are detailed in the following table:

CLAIM FOR GRANT AID	
1	A Payment Request Form signed by the chairperson of the organisation
