

Communities In Transition

Participatory Design Process – Reporting Template

Please complete this report following each participatory design session (i.e. one per session) to record the key of the discussion. Please use the sections below to structure the report. If any area was not covered during the discussion, please note that in the relevant section.

Please return the completed report to cit@cooperationireland.org within one week of each participatory design session.

Area: West Belfast

Theme: Personal Transition

Date: 24/01/19

Number of attendees: 3

1. Proposed interventions discussed to address the issues identified in Phase 1 fieldwork?

The session was attended by two reps from PSNI and one other person who did not want his name or organisational affiliation recorded.

We did not have a formal workshop, but did have a long discussion with the individual who expressed a concern within his organisation about engaging with the B4 programme in any form.

We stated that we would be willing to meet with his constituency in a non-public session to discuss issues related to B4 and he agreed to communicate that to colleagues. We have had no formal response.
